OFFICE OF PETITIONS

In re Application of :
Michael J. Treuheit et al :
Application No. 09/709,704 :
Filed: November 9, 2000 :
Attorney Docket No. A-584 :

This is a decision on the petition under 37 CFR 1.137(b), filed June 7, 2002, to revive the above-identified application.

The petition is **GRANTED**.

The two-month period for filing an appeal brief in triplicate (accompanied by the fee required by 37 CFR 1.17(c)), runs from the date of this decision.

The above-identified application became abandoned for failure to reply within the meaning of 37 CFR 1.113 in a timely manner to the final Office action mailed October 10, 2001, which set a shortened statutory period for reply of three (3) months. A reply under 37 CFR 1.113 is limited to an amendment that *prima facie* places the application in condition for allowance or a Notice of Appeal (and appeal fee required by 37 CFR 1.17(b)). Since the amendment submitted does not *prima facie* placing the application in condition for allowance, no Notice of Appeal (and appeal fee) was timely filed. Extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned on April 11, 2002.

37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. If the statement contained in the instant petition varies from the language required by 37 CFR 1.137(b)(3), the statement contained in the instant petition is being construed as the statement required by 37 CFR 1.137(b)(3) and petitioner must notify the Office if this is **not** a correct interpretation of the statement contained in the instant petition.

Telephone inquiries concerning this decision should be directed to Wan Laymon at (703) 305-9282.

The application file is being forwarded to Technology Center AU 1655.
